LAW DEPARTMENT MEMORANDUM

TO: Greg Garland

FROM: Craig Glidden

DATE: April 6, 2005

RE: Delegation of Authority for Patent Documents

This Memorandum is confidential. Its contents are subject to the attorney/client, attorney work product and all other applicable legal privileges. It should not be copied or further distributed by the recipients, or disclosed outside of Chevron Phillips Chemical Company LP, without the prior approval of the Law Department.

Frequently, the prosecution of patents and the protection of our Intellectual Property rights in foreign locations require CPChem to appoint agents in those locations to deal with foreign patent offices. Typically, these appointments are made through Powers of Attorney or Agency Authorizations and are signed by me as an officer of the Company. To facilitate the timely and expeditious appoint of agents and to ensure that there is an alternative if I am out of the office, I hereby delegate to Mike Lee, Assistant General Counsel for Intellectual Property, the authority to execute such Powers of Attorney and Agent Authorizations on behalf of the Company.

Please sign in the space provided below, your confirmation of this delegation so that Buck Snyder can reflect this in the Sub-Delegations.
